Since 1886, Boys & Girls Clubs of Greater Washington has been providing positive options for our region's children. While America's youth face many difficult challenges, BGCGW continues its tradition of offering proven solutions that work. Our Clubs have provided thousands of girls and boys with daily, guidance-oriented character-development programs, firmly establishing a reputation as *a place where GREAT FUTURES BEGIN*.

All children deserve the chance to achieve their full potential as future adults, citizens and leaders. BGCGW's commitment to growth and quality is based on concern for deserving youth as well as the national interest – soon these boys and girls will become the mainstay of America's economy. All of society benefits by aiding their development.

***The mission of Boys & Girls Clubs of Greater Washington is to help boys and girls of all backgrounds, especially those that need us most, build confidence, develop character and acquire the skills needed to become productive, civic-minded, responsible adults.***
