# FIELD TRIP PERMISSION SLIP

Yes, ______________________ has my permission to accompany the Boys & Girls Club on all field trips to parks and museums, amusement parks, etc., and to ride in the transportation provided to and from school. I will also discuss the safety rules for riding in club transportation with my child so that they fully understand what is expected of them. I also understand that there are consequences for bad behavior on the busses and that my child’s privileges can be taken away.

Rules for field trips:  
- All children must be secured by seat belts while riding on bus  
- Children must keep their hands in the bus  
- Anyone caught throwing trash out windows will be suspended - 1 day  
- No screaming, bouncing on the bus or rough housing  
- 3 behavior incidents will result in suspension, time deemed necessary

Infection Control Policy

It is inevitable that children will get sick, no matter where they are. As children begin to have contact with the world around them, they come into contact with viruses and bacteria that are foreign to their bodies. This is the way they build up their immunities. We cannot shield a child completely; however we do want to protect a child from an unusually high exposure to germs all at once.

In the Club setting, children are in contact with many other children. It is in this situation that the illness of one child can spread rapidly through the rest of the group and the staff as well if stringent measures to prevent this spread are not taken.

For this reason, the staff at the center will take constant precautions to prevent the spread of disease. Many common childhood diseases are contagious. They are caused by germs which may be spread through coughs, sneezes, and runny noses. Other diseases are spread through direct contact. Careful hand washing by staff and children can eliminate approximately 75% of the risk of spreading these illnesses. Other precautions include separating sick children from those who are well and working to maintain sanitary conditions throughout the center.

You, the parents, can help us in our effort to keep your children healthy. We ask for your cooperation in the following ways:

1. If your child has been exposed to any diseases listed on the accompanying chart, we ask that you notify us of the exposure within the 24 hrs or by the next business day.
2. If your child shows any of the following symptoms you will be called and asked to come immediately. If your child has any of the following symptoms at home, we ask that you keep them out of day care until the symptoms are gone or a physician says it's ok to return.

The symptoms include:
- A fever greater than 100 F
- Severe coughing-child gets red or blue in the face
- High-pitched croupy or whooping sounds after coughing
- Difficult or rapid breathing
- Yellowish skin or eyes
- Pinkeye – tears, redness of eye lining, followed by swelling and discharge
- Unusual spots or rashes
- Sore throat or trouble swallowing
- Infected skin patches
- Crusty, bright yellow, dry, or gummy areas of skin- accompanied by fever
- Unusually dark, tea colored urine-especially with a fever
- Grey or white stool
- Stiff neck
- Vomiting
- Severe itching of body or scalp or scratching of the scalp

It is imperative that we all work together to keep all of the children who attend the center as healthy and happy as possible. We thank you for your cooperation.
