Since its inception, the Women’s Leadership Group (WLG) has netted $6 million in support of Boys & Girls Clubs of Greater Washington and its programs. Our efforts have helped to enhance educational initiatives through scholarship awards, provided exposure to 21st century learning opportunities in the area of STEM, created avenues for our Club members to develop and showcase their artistic gifts, and supported our Fearless Girls program designed to build confidence and self-esteem in our young girls.

The mission of Boys & Girls Clubs of Greater Washington (BGCGW) is to help boys and girls of all backgrounds, especially those that need us most, build confidence, develop character and acquire the needed skills to grow into productive, civic-minded and responsible adults.

BGCGW currently serves over 15,000 youth in our 15 sites located in Northern Virginia, the District of Columbia and Maryland.
